POLICY

1. School profile

Reservoir Views developed from the merger between the Burbank and Keon Park Primary School communities in 2009. The school is located in the northern suburb of Reservoir on the original Keon Park PS site. The new school facilities were opened in 2011 and are designed to foster collaborative learning and teaching. We have approximately 210 students enrolled from Prep to Year 6, and 18

staff members including Education Support staff and a specialist English as An Additional Language teacher.

The school is culturally diverse with 38% of families having a language background other than English (LOTE), with the largest LOTE groups being Arabic, Mandarin, Punjabi and Vietnamese. The school has on average 6% students who identify as Torres Strait Islander or Aboriginal. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.
