

# The Reservoir VIEW

Thursday 11th Sept 2025

**Reservoir Views Primary School acknowledges the Wurundjeri people of the Kulin nation as the traditional custodians of the lands, waters, and skies where we live, learn, work and play.**

Important Dates - Term 3, 2025	
Thursday 11th September	R U OK? Day
Thursday 11th September	Year 1/2 excursion to MoPA
Tuesday 16th September	Mini Market Day!
Thursday 18th September	<i>Student Celebrations of Learning</i> 3:45pm to 7pm - Last day for students
Friday 19th September	<i>Student Celebrations of Learning</i> 9am to 2pm (last day of term)
Monday 6th October	First day of Term 4
Tuesday 7th October	Whole school swimming commences (each Tuesday for 8 weeks)
7th, 8th and 9th October	Year 3-6 Hockey Clinics
Friday 17th October	Year 3/4 Mad about Science Incursion
Tuesday 21st October	Year 5 students attending the Darebin Yarning Conference
Wednesday 22nd October	Kinder to Foundation orientation session 1 - 9am to 10am
Reservoir Views Primary School is committed to creating and maintaining a child-safe and child-friendly organisation, where children and young people are safe and feel safe.	

All of our Child Safe policies and all other school policies are available on our website:

<https://www.reservoirviewsps.vic.edu.au/policies>

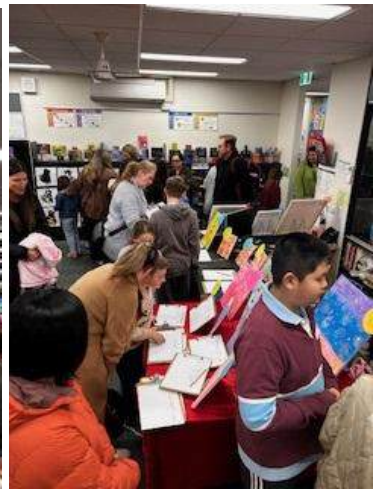

Dear Reservoir Views students, families, and local community members,

Thank you to everyone who attended our first-ever *Art Show* last Thursday evening.

Our library was transformed into a world-class gallery, with every student's artwork proudly on display. The event was nothing short of breathtaking, a wonderful celebration of the creativity and achievements of our young artists in one of our four specialist subjects, Visual Art.

We are so grateful to all who contributed: our talented students, the families who came along to support them, and the staff who helped bring the space to life. A very special thank you must go to our incredible Art teacher, Nicky Grujovski. Not only is Nicky a gifted educator, but she has also dedicated months of hard work to create such a magical event. It was the perfect way to showcase the creative talents of every student at Reservoir Views Primary School. Thank you, Nicky!

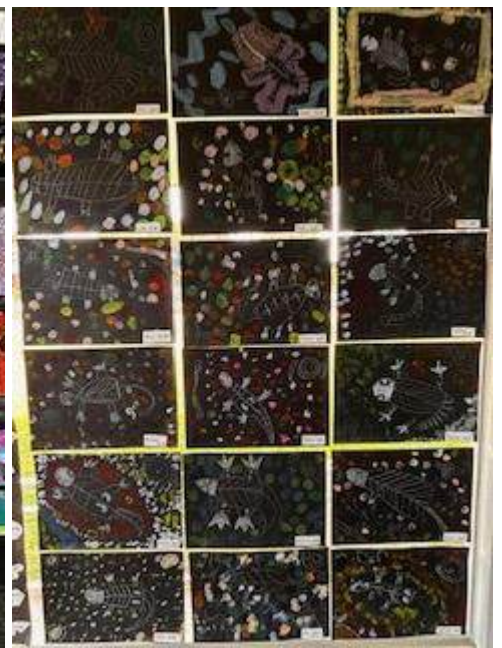

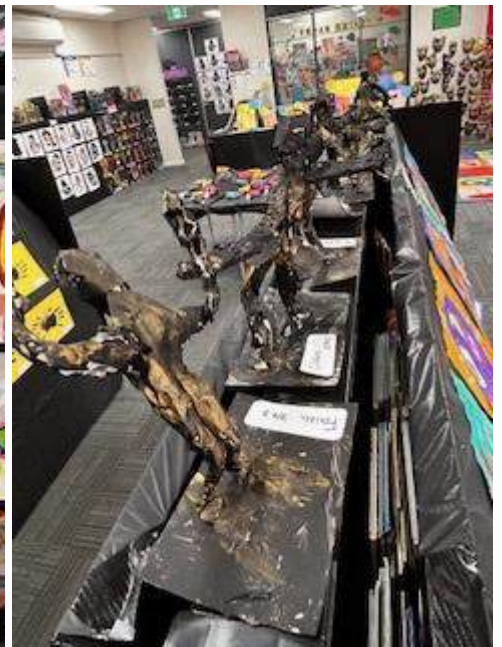

## RESPECTFUL RELATIONSHIPS LEADERSHIP FORUM

Last week, Year 6 Wellbeing Leaders, Sienna and Freddy presented at the *Respectful Relationships Wellbeing Leaders Forum* held at Preston Primary School.

Sienna and Freddy spoke about the *Stand Up Project*, which focuses on taking a stand against bullying and racism by encouraging all students to be upstanders. Congratulations Freddy and Sienna!

## HATS ARE BACK NEXT TERM

A reminder that hats are required for all outdoor activities next term.

## STUDENT CELEBRATIONS OF LEARNING

We're looking forward to celebrating the end of Term 3 with our Student Celebrations of Learning taking place next Thursday afternoon/evening and throughout the day on Friday.

## TERM 4 DATES

The year has flown by and it's hard to believe that there is only one more week of Term 3 remaining. Term 4 commences on Monday the 6th of October and below are some important dates to remember:

- Our whole school swimming program commences on Tuesday the 7th of October and will run every Tuesday (excluding the Melbourne Cup public holiday) with the last session taking place on Tuesday the 2nd of December.
- Our 6 week Kindergarten to Foundation orientation program commences on Wednesday the 22nd of October. They will occur each Wednesday for 6 consecutive weeks, the first session will run from 9am to 10am and the following five sessions from 9am to 10:30am.
- Grade 6 Graduation will take place on Wednesday the 10th of December
- Foundation Graduation will take place on Friday the 12th of December

## R U OK? Day – Thursday, 11th September 2025

Today is **R U OK? Day**, a national day of action dedicated to reminding everyone that every day is the right day to ask, “*Are you OK?*” and to support those who may be struggling.

At school, we will be encouraging students to think about the importance of kindness, checking in on friends, and looking after their own wellbeing. Teachers will run age-appropriate discussions and activities to help build confidence in starting conversations that show care and support.

We encourage families to continue these conversations at home. Simply asking “*Are you OK?*” can make a big difference. <https://www.ruok.org.au/>

### OUR BIODIVERSITY GARDEN IS COMPLETE!

Today our Year 3 and 4 students, with the support of Susan and Lucy, planted more than 200 shrubs and plants in our new biodiversity garden.

This exciting project has created a wonderful new space for our school community to enjoy and learn from.

A special thank you goes to Susan, whose drive, passion, and commitment made this garden possible. We are also grateful to everyone who has contributed their time and support to bring this project to life.

Kind regards,

Steve Stafford  
Principal.

# LEADERSHIP NEWS

## INDIVIDUAL EDUCATION PLANS

### What are IEPs?

Individual Education Plans (IEPs) are personalised learning documents designed to support your child's growth and achievement. They outline specific learning goals based on your child's current needs and strengths, and provide strategies that teachers, parents, and students can use to work towards these goals together. IEPs are reviewed across each term to monitor progress and new goals are set where appropriate.

### What to do when you receive your child's IEP

Next Monday your child will be bringing home their Individual Education Plan with their goals for Term 4. These goals will reflect areas of focus identified by your child's teacher and will include literacy, numeracy, personal and social learning and a goal around behaviours for learning. Students will be encouraged to take ownership of their learning by knowing their goals and reflecting on their progress throughout the term.

When you receive your child's IEP, we encourage you to:

- Read through the goals carefully
- Discuss them with your child in a positive and encouraging way
- Highlight the progress your child has already made and talk about the next steps
- Note down any questions you may wish to raise with your child's teacher at the upcoming Celebration of Learning meeting

### Student Celebrations of Learning

At your child's Celebration of Learning meeting, your child will have the opportunity to present highlights from their literacy, numeracy, and inquiry learning this term. These meetings allow students to practise their presentation skills as well as to share their successes, reflect on challenges, and demonstrate pride in their learning.

During the meeting, you will also have the chance to go through the goals set for your child in Term 4. This is a valuable opportunity to ask questions, clarify expectations, and explore how you can best support your child at home.

We encourage you to book your meeting time through Compass. If you are unsure how to do this, please contact our office staff who will be happy to support you. Interpreters are available upon request when you are booking.

### What you can do at home to support your child with their goals

Your involvement makes a real difference to your child's progress. At the end of your child's IEP, you will find specific recommendations from their teacher about how to support the goals at home. These may include:

- Reading with your child each night and discussing the stories together.
- Supporting your child to practise their maths skills using their homework tasks or games.
- Encouraging independence, for example, by having them order food at a café, borrow books from the library, or take on small responsibilities at home.
- Playing games that encourage turn-taking and fair play.
- Talking with your child about their learning, their play, and their interests to build conversational confidence.

By practising these strategies at home, you are helping your child build essential skills in literacy and numeracy, develop resilience, strengthen persistence in learning, and grow in confidence when communicating with others.

Connie Amoruso & Chay Baker  
Curriculum Learning Specialists

# WELLBEING NEWS

## Value Logo Designs

A huge congratulations to everyone who contributed to our Value Designs! We've created a gallery wall outside the staffroom to showcase the incredible creativity and effort from our students.

The whole school took part in voting, and with the support of Gerard Daley, our School Council President, the winning logo will soon come to life. Stay tuned for the big reveal!

## Stand Up Project - Lessons

Our Stand Up Project (SUP) leaders have been busy visiting classrooms to teach students about building respectful relationships and standing up to poor behaviour.

Last week, they helped everyone understand the difference between mean on purpose behaviour, friendship fires, and bullying. This week, the focus has been on being an upstander, with students learning four practical strategies: Direct, Delay, Delegate, and Distract.

The leaders also introduced the NO-GO-TELL-CHANGE model, giving students clear steps on what to do if they experience bullying.

Our 5/6 SUP leaders are doing an incredible job leading this initiative, and it has been wonderful to see such positive engagement from all classrooms!

## Respectful Relationship Student Leaders Forum

Last Thursday, our wellbeing leaders, Sienna and Freddy, attended the Respectful Relationships Wellbeing Leaders Forum at Preston Primary. Leaders from neighbouring schools came together to share and discuss initiatives that promote inclusivity and student voice.

Sienna and Freddy proudly spoke about our Stand Up Project, which focuses on taking a stand against bullying and racism by encouraging all students to be upstanders. Both leaders spoke with confidence and represented Reservoir Views Primary with pride.

They also gained valuable insights from other schools, learning about inspiring initiatives such as toilet projects, First Nations student ambassadors, lunchtime programs, and finding ways to be more visible leaders within the school community.

Monique Galpin  
Wellbeing Leader

# FOUNDATION NEWSLETTER

TERM 3 WEEK 8

## WHAT WE HAVE BEEN LEARNING

### Writing

We have been hard at work over the last 2 weeks creating our very own books. We started with a pig the pug book and made adaptations to the story to make it our own. We are very excited to be able to share these with our families because we have put some much effort into them and are all very proud of what we have been able to achieve.

### Inquiry

Since our excursion to Edendale Farm we have been learning about how we can be sustainable. Part of our investigation was into nude lunchboxes and what things we should have in our lunchbox to help us stay healthy. As a part of this learning, we made chocolate bliss balls that were a healthy and wrapper free snack that we were able to have in our lunch boxes!

### Maths

In maths, we have been investigating sharing. This means we are learning about how we can make sure that something has been shared fairly and the different strategies we can use to help us share something quicker.

### Author Party

Tuesday the 16<sup>th</sup> 3:00pm

### Student Celebration Meetings

Thursday the 18<sup>th</sup> 3:45pm - 7:00pm

Friday the 19<sup>th</sup> 9:00am - 2:00pm

### Term 4 Starts

Monday the 6<sup>th</sup> October

### Swimming

Tuesday the 7<sup>th</sup> of Oct.  
Repeating every Tuesday until  
Tuesday the 2<sup>nd</sup> of Dec.

## REMINDERS

- Please make sure you have booked in with your child's classroom teacher for a student celebration of learning meeting.
- Homework and readers will not be going home next week but will instead go home with you at your students celebration of learning.
- Swimming is next term, please practice with your child drying and getting dressed by themselves.

# 1/2 News

We have been hard at work on writing persuasive texts, and have become quite adept at providing convincing reasons to explain our opinions and points of view. In maths, we have been finding the information we need in worded problems and using a range of addition and subtraction strategies to solve these, as well as exploring irregular shapes - we loved making our own using the geoboards.

Our creative sparks have been displayed making gifts for our dads/special people for Father's Day, crafting our own Venetian Carnevale masks, and keeping the beat along with the Melbourne Symphony Orchestra.

As we wind down for the term, we thank you for your continued support and look forward to celebrating with you and your child at our IEP meetings next week.

It was wonderful to see so many families embracing pyjama/comfy clothes day to support our 5/6 students fundraising efforts, and wear it purple day to show our support being kind, understanding and inclusive friends.

As this newsletter heads out, we will have been finishing up our exploration of MoPA (Museum of Play and Art). We hope your child enjoyed their time and has lots to share with you.

## Reminders

Please book a time for Term 3 celebrations with your child's teacher. Bookings can be made via Compass.

Homework will recommence in Week 2 next term.

Swimming lessons will begin on Tuesday of Week 1.

# 3/4 NEWS

It has been a busy and exciting few weeks for our Year 3/4 students, with plenty of opportunities to learn, explore, and connect with our school and local community.

We were lucky enough to host the Melbourne Symphony Orchestra, who guided students through the story and music of The Firebird. Students had the chance to join in with a range of instruments, experiencing excitement of playing alongside professional musicians. As part of our Inquiry unit, classes headed out on a local walking excursion to investigate community spaces. Each class visited a different park or creek to explore local issues and brainstorm possible solutions to keep these areas safe, healthy, and enjoyable for everyone. Our students have also been learning important social skills through the Upstander Project, with lessons led by our amazing 5/6 SUP leaders. These sessions have encouraged our 3/4s to think deeply about the importance of standing up for our peers to create a safe and welcoming school community. We are so proud of the way our 3/4 students have engaged in experiences this term with curiosity, courage, and connection!

## RESERVOIR HIGH SCHOOL PRODUCTION

Last week the 5/6 students attended the RHS production. *The Day the Internet Died* was a hilarious and engaging performance that had us laughing from start to finish. The cast brought the witty script to life with great energy, comic timing, and teamwork, showcasing the creativity and talent of their students. It was a fantastic show that highlighted the hard work of everyone involved, both on stage and behind the scenes.

## MATHS - AREA AND PERIMETER

The 5/6s took their learning outdoors this week, turning the concrete into giant canvases with chalk, for their house floor plans! In groups of three, students measured carefully using 1m rulers, calculated area and perimeter and worked together to bring their creative designs to life. The sunshine made it the perfect day to combine maths, teamwork, and imagination!

Our final Reservoir High tournaments for the Year 5/6 students wrapped up with the girls taking out the championship—well done! Congratulations to all the students who have proudly represented our school at Reservoir High over the past four weeks. On Wednesday, 8th of September, students competed at the Divisional Athletics, with many finishing in the top three. Four of our athletes have now qualified for the Regional Athletics in October—an outstanding achievement!

# MINI MARKET

The 5/6s will be hosting the Mini Market!

WHEN: Tuesday 16<sup>th</sup> September (Week 9)

COST: tickets are \$1 \$7 is the maximum  
also through QKR

*This money is going to the year 6  
graduation*

**EVENTS:** Nintendo racing, Sponge  
Splash, Soccer juggling, hair braiding,  
guess the jellybeans, and many more

## SEE YOU THERE!

# For quicker, hassle-free school payments, try Qkr! today

Introducing Qkr! (pronounced 'quicker') by MasterCard, the secure and easy way to order and pay for school items from your phone at a time and place that suits you.

With Qkr you can:

- Order and pay for your child's lunches, reducing the need to bring cash to school;
- Pay for school fees, uniforms, excursions and more;
- See your receipts on the app and get them sent by email if required.

## Getting started is easy - try it yourself today

### Step 1 Download Qkr!

on your Android phone or iPhone. iPad users can download iPhone app

### Step 2 Register

Select your Country of Residence as 'Australia' and follow the steps to register

### Step 3 Find our school

Our school will appear in 'Nearby Locations' if you're within 10km's of the school, or search for our school by name.

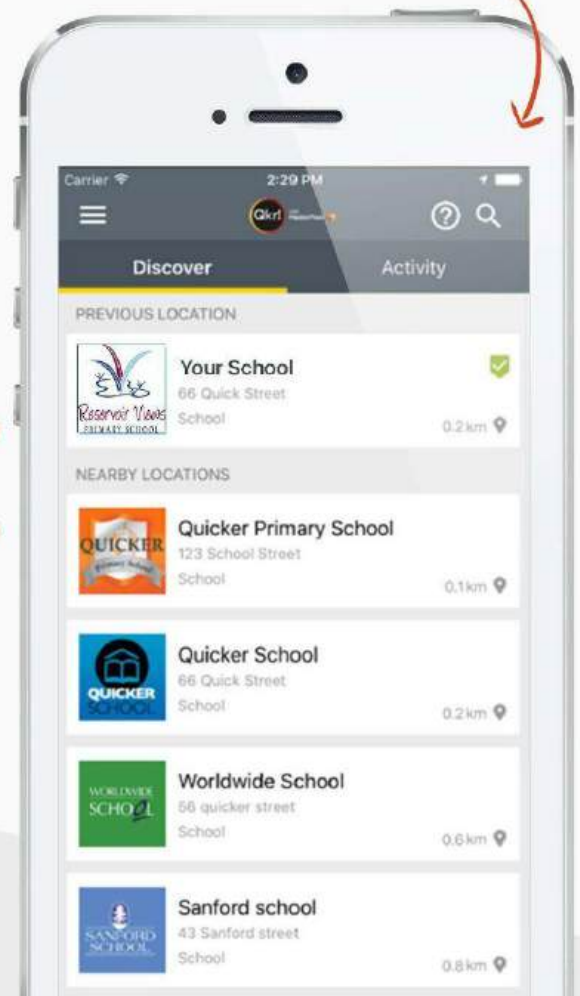

### Step 4 Register your children

When first accessing our school you will be prompted to add a student profile for your child. This allows you to make orders and payments for them.

Search for our school name

If you have made a purchase you can select our school from 'Previous Location'

If you're within 10 kms of the school, you can select our school from 'Nearby Locations'

## Add your children's details in Student Profiles

Select  
'Add student profile'

Add each  
child's details

Manage each  
child's details in  
Student Profiles

## Order meals

Select a menu  
from our canteen

Tap the green  
tick to view  
your receipt  
or to cancel  
an order

Select a date  
for a child and  
order a meal

Tap 'Repeat  
order' to  
copy all paid  
orders from  
one week to  
the next

Tap to change  
the child you are  
ordering for

Tap to change  
the date you  
are ordering for

Tap 'Checkout'  
then confirm and pay

## Making payments

Add up to 5 cards to your wallet

At checkout select which card to  
pay with.

Pay with any cards accepted  
by the school.

Once your payment is approved you  
can continue to the home page, or  
view your receipt.

# ART SHOW 2025

THANK YOU TO ALL OUR FAMILIES AND  
FRIENDS FOR ATTENDING THE ART  
SHOW. WHAT AN AMAZING EVENING!

Kids

## WHAT'S BEEN HAPPENING

We have wrapped up our *clubs* for the term! From STEM Club's hands-on experiments, to Hama Beads Club's colourful creations, to Painting Club's exploration of textures and techniques, the children have loved sharing their ideas and building new skills together.

We're excited to announce that our clubs will be **returning in Week 4 next term**, bringing even more opportunities for creativity, teamwork, and fun. We also had an unforgettable *Safari-themed pupil free day*! Children designed and built their own safari cars, made playful elephant masks, and joined in a variety of games and activities that brought the adventure to life. The day was filled with laughter, imagination, and plenty of "wild" discoveries.

Looking ahead, our **Spring Vacation Care Program** is right around the corner. Families can look forward to an action-packed schedule with excursions, incursions, themed days, and plenty of opportunities for children to explore, create, and connect with friends. Bookings are now open, don't miss out!
