

# The Reservoir VIEW

Thursday 14th September

*Reservoir Views Primary School acknowledges the Wurundjeri people of the Kulin nation as the traditional custodians of the lands where we live, learn, work and play.*

## Important Dates - Term 3, 2023

Thursday 14th September	Education Plan meetings 3.45pm - 7pm - Last Day for Term 3
Friday 15th September	Education Plan meetings 9am - 2pm - No students at school
Monday 2nd of October	First day of Term 4
Monday 9th of October	Swimming program starts
<b>2024 ENROLMENTS - Please contact the school to book in a school tour with our Principal and Assistant Principal</b>	

Dear Reservoir Views students, families and local community members,

It has been a very busy term of learning and reaching goals across the school. Over this evening and tomorrow, our students will be sharing their successes with their families in their Education Plan meetings. This is one of my favourite times of the year when students are able to talk about their goals, how they worked on them and how they have achieved them. They will also set new goals to work on during Term 4.

I want to wish everyone a very safe term break, hopefully the lovely weather will hold out for us and we can all enjoy the outdoors a little more. We will see you in Term 4.

## Nillumbik & Darebin Division Athletics

Congratulations to all of the students who participated in Division athletics last week. It was our biggest attendance with lots of wins. We will wait to hear of the students who make it through to Regionals.

You are all winners!

## Results

Tia Hockey	Discus Shot put	1st 1st	Poppy Walter	100m sprint 200m sprint	1st 1st
Kobe Paul	Shot put	1st	Milla Toet	800m Run	3rd
Lorraine Danuja	Triple jump 100m sprint	2nd 3rd	Bella Evens	80m Hurdles Triple jump 100m sprint	1st 1st 1st
Paige Chetcuti	Shot put	2nd			

## Swimming

Swimming permission and payment is now available on Compass. Swimming is part of the Victorian Curriculum and will be part of our daily organisation starting week 2 of Term 4.

The Health and Physical Education curriculum includes four focus areas with specific reference to swimming and water safety which schools are required to teach:

- Fundamental movement skills — Develop foundation movement and skills to enable students to participate in a range of physical activities. For example, floating and moving the body through water.
- Safety — Practise behaviours and skills to keep themselves and others safe in and around water. For example, sun safety, use of protective equipment and first aid.
- Lifelong physical activities— Understand that swimming can enhance lifelong health-related fitness and wellbeing.
- Challenge and adventure activities — Participate in challenging swimming activities in a range of contexts. For example, triathlon, diving, water polo.

## 2024 FOUNDATION ORIENTATION DATES.

Our dates for our parent/carer/guardian/caregiver information session next term and our 6 week orientation session have been confirmed.

We are currently planning our 2024 Foundation Orientation Program, which will consist of:

- 6 sessions for your child to attend school
- During these session times there will be a number of parent/caregiver/guardian information sessions as well as time to have a cuppa and a chat each week.

# **SAVE THE DATES!!!!!!**

## **Dates:**

Session 1	9:00 – 10:00am	Thursday 19 <sup>th</sup> October
Session 2	9:00 – 10:30am	Thursday 26 <sup>th</sup> October
Session 3	9:00 – 10:30am	Thursday 2 <sup>nd</sup> November
Session 4	9:00 – 10:30am	Thursday 9 <sup>th</sup> November
Session 5	9:00 – 10:30am	Thursday 16 <sup>th</sup> November
Session 6	9:00 – 10:30am	Thursday 23 <sup>rd</sup> November

The parent/caregiver/guardian and child sessions occur at the same time.

## **Congratulations to our values award winners**

Warm regards,

Hayriye Ali  
Acting Principal.

# Foundation News

## Our week!

We are 3 terms down and the Foundation students continue to amaze us with their learning. We have all had a great term full of events. We have had an excursion, Book Week, 100 days of school, worked with our buddies and learnt so much!

### Music Makers

### Buddies

Foundation loves when our buddies come to help us with our learning. We enjoyed the Music Makers Incursion that was run by the buddies as well as the Maths games that they organised for us.

### Numeracy

Foundation students are practicing counting collections, recognising, bundling and writing teen numbers!

### Literacy

Look at Foundation reading and writing simple sentences!

# Auslan

Lets Celebrate!!!

What a wonderful term of learning we have had in Auslan.

# 1/2 Area

1/2A Isabel - [isabel.anderson-kenny@education.vic.gov.au](mailto:isabel.anderson-kenny@education.vic.gov.au)

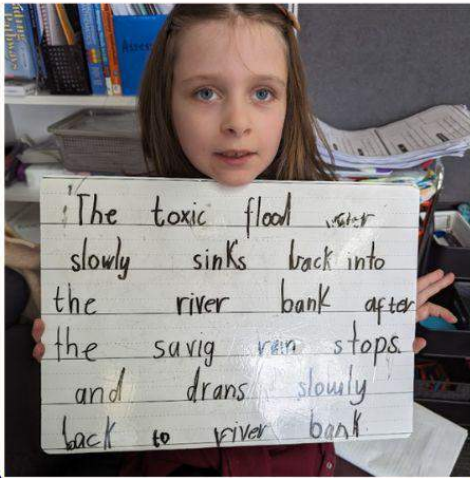

1/2B Lou - [lou.morrow@education.vic.gov.au](mailto:lou.morrow@education.vic.gov.au)

1/2C James - [jimmy.cameron@education.vic.gov.au](mailto:jimmy.cameron@education.vic.gov.au)

1/2D Jack - [jack.mercuri@education.vic.gov.au](mailto:jack.mercuri@education.vic.gov.au)

## Writing

This term, the 1/2 students have been working hard on expanding sentences by including more details such as who, what, where and why. We have also been trying to include some new vocabulary words to make our writing more interesting.

## Exploring Land and Water

For the last few weeks, the 1/2 students have started learning about different kinds of land forms, bodies of water and how land can change. We have learnt about weathering and erosion and how this changes an environment. We also had some fun making some mountains, hills and valleys in the sandpit!

## Swimming next term!

We are very excited for our whole school swimming program to commence in Week 2 of Term 4. This is a great program for students to develop their swimming skills and be active. For those families who haven't signed up, there is still time to log into Compass.

## Reminders

Homework will recommence in Week 2 of Term 4. Well done on your efforts completing homework this term. We hope you have a restful and relaxing break over the school holidays and we look forward to seeing you back at school on Monday 2nd of October.

# 2/3/4 AREA NEWSLETTER

## WRITING

Our grade 2/3/4 students continued to write their information reports about different ecosystems. Students have been using Google Classroom to type their information. We have learnt so many different facts about our ecosystems.

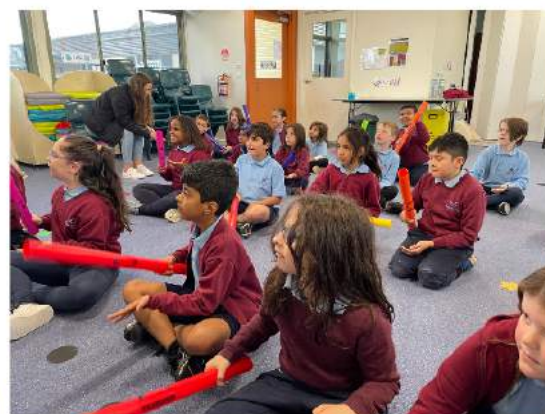

## SWIMMING

Next term the whole school will be participating in our annual swimming program. Thank you to all the families who have signed up for this fantastic initiative. For those families who haven't signed up, there is still time to log into Compass.

## MUSIC MAKERS

The grade 5/6 students ran a music workshop with our 2/3/4 cohort. We got to make a rhythm using the boomwhackers. Then we used cups to match the beat. It was so much fun!

5/6B - MONIQUE GALPIN - MONIQUE.GALPIN@EDUCATION.VIC.GOV.AU

## YARNING CONFERENCE PREPARATION

The last few weeks we have been preparing for the yarning conference, we learnt about truth telling and about different elders. We created 2 different poster backgrounds, we put an elder's photo on one side and why we should respect the first nation elders on the other. We learnt why we should respect elders and what they experienced when they had gone there and how they still could do what they loved. But when the British came and took the first people nation's land. The first nations tried to fight back but the British took the victory and stole their children, land, resources and they put the children into foster homes and made them do slavery for others. Written by Angela, Lucy, Bryan and Harley

## STUDENT-LED - MATH ACTIVITIES

This week on the 13th of September the year 5/6's created Foundation level math games by looking over the Vic Curriculum at what Foundation student's are learning throughout the year. We created, planned and then ran these math games with small groups. In these maths games we challenged the preps maths skills and let them learn new maths skills like time, counting numbers and more, they had a lot of fun and learnt a lot of different strategies like hand counting.

Written by Ali, Mia, Alex and Ethan

## STUDENT-LED - MUSIC MAKERS

Last week we created, organised and implemented the Music Makers incursion for all students across the school. We took all the classes from around the school and taught them about singing and how to play instruments. We taught the F-2s a song called "Ford Car" and we taught the 3-6s the cup game. This incursion was a great opportunity for kids that are interested in beat and rhythm as well as singing songs. Everybody thought that it was really fun and it was a huge success.

Written by Lily, Milla, Ava and Rose.

## THE MELBOURNE ZOO

We went on a Excursion to the Zoo on Monday 11/9/2023. We learnt all about the different Adaptations of the animals and we got little booklets to draw animals and their adaptations to help them survive in their habitat. Like, cheetahs are so fast, and chameleons can turn into any color they want! It was like a real-life science lesson, and we got to see it all up close. This trip made us love animals even more and think about how clever they are in their own way!

MEMORIELLEM – LEMIAL 2<sup>1</sup> 5052

**14<sup>th</sup> September 2023**

14<sup>th</sup> 260619099 5052

Last week, Children got opportunity to express and utilise their creative ideas by involving themselves in versatile artworks, handmade decorations etc. Creative Arts and crafts not only help them develop their creative, cognitive, and fine motor skills but also develop confidence, increase their empathy, and discover how to look at the world from different perspectives.

This week, we have been participating in numerous arts and crafts focusing on our activity theme "We Care" to acknowledge the "R U Ok Day". Children immensely enjoyed expressing their emotion through their artworks in various forms along with their regular indoor and outdoor free activities. R U Ok Day aims to inspire and empower everyone to meaningfully connect with people around them and support everyone struggling with life.

**IMPORTANT**

Bookings are essential prior to attendance. We cannot guarantee a place for your children without bookings as we must maintain child to educator ratio at all times.

Book from: [theircare.com.au](http://theircare.com.au)
