Dear Reservoir Views students, families and local community members,

We are all very excited about our **Meet, Greet and Eat** this afternoon. The BBQ is already cooking and we can't wait to celebrate the start of our school year with our community and open our new Sensory Park. If you're unable to attend this afternoon, we look forward to seeing you at another of our school events this term.

CANTEEN

Our canteen will reopen this Monday the 17th of February. We have missed Lesley and are looking forward to having her back on board. If you're able to help in the canteen on the days it is open, Monday, Wednesday and Friday, please see Lesley. Just a reminder that all volunteers at Reservoir Views Primary School need a valid *Working With Children* check.

MEET THE TEACHER

Allocated times for next Wednesday's *Meet the Teacher* meetings will be sent home tomorrow with the students. The aim of these 10 minute meetings (which we encourage all students to attend) is to provide a formal time for parents / guardians to meet their child's 2020 teacher, share their valuable knowledge of their child, develop relationships and focus on establishing a learning community.

COMPASS

Compass is our school management system for parents, staff and students. The Parent Portal allows parents to access up-to-date and meaningful information about our school and their child's progress. The many features include:

- Enter reasons/approve absences
- Access Newsfeeds
- Update your email address and mobile number
- Download your child's Semester reports
- Provide consent and pay for school activities

Compass is accessible on a desktop/laptop or as an application on a phone/tablet. By the end of this term we will be moving towards Compass for all of our communication of weekly newsletters, school excursion notices and correspondence. If you have not yet logged into Compass, need to reset your password or require some assistance on how to use Compass effectively, please come and see Helen, Bev, Hayriye or myself.

BREAKFAST CLUB - VOLUNTEERS REQUIRED!

Each Wednesday from 8am to 8:45am in the hall, Jenny runs a free breakfast club for any students who would like to attend. I'd love to expand this program this year and operate breakfast club on a Tuesday and Thursday morning as well as Wednesday.

If you are free on a Tuesday and Thursday morning and are interested in helping expand this program, please come and see me or Jenny.

2021 FOUNDATION ENROLMENTS AND SCHOOL TOURS

It may seem early, but we are already scheduling and taking school tours and enrolments for 2021 Foundation students. Please come and see me, Hayriye, Bev or Helen to schedule a tour or make an enrolment for 2021.

SCHOOL COUNCIL ELECTIONS

Yesterday our call for nominations for the 2 available parent positions for school council closed. I am very excited to announce that we had 5 parents nominate to be on school council. This means we will be holding a ballot to decide who will fill the 2 parent positions. I have placed the nomination notification form at the office showing who the nominees are. On Tuesday we will be sending home ballot forms. Information on how to vote and ensure it is a valid vote, will be included with the ballot form.

Warm regards,

Steve Stafford
Principal

Book Club

Our first book club for the year has been sent out.
Last day to purchase book club is Friday 21st of February.

She is a passionate psychologist who works with both children and adolescents who are experiencing a range of psychological issues such as anxiety and mood disorders, Autism Spectrum Disorders, interpersonal, learning and behavioural disorders, exam stress, self-harming and adjustment difficulties (social & situational). Community Helper's Training Program 2020

We have had a number of parents and guardians who have expressed interest in helping in our classrooms. We know that this will strengthen the partnership between Reservoir Views P.S. and our community members. Our students will benefit from the work and dedication of our classroom helpers.

The session will outline some practical ideas that will assist you when working with children to help with reading and other tasks within the classroom. Also, roles and responsibilities related to Privacy, Safety and Working with Children's Check will be outlined. Laptops will be provided to support parents/guardians who wish to register for a Working with Children's Check during the workshop session.

Please note you only need to attend one of the sessions.

Thank you
