Dear Reservoir Views students, families and local community members,

It has been a fun fortnight at Reservoir Views. We have had two kinder to prep orientation programs, the fire brigade visited our prep students, our year 5 students attended the Darebin School's NAIDOC Yarning Conference and our whole school swimming program commenced. All of these events had to be cancelled or postponed over the last two years and it is great to see our students enjoying these experiences again.

Our *Run for Fun School Colour Run* fundraising event has also commenced and so far over \$4,000 has been raised, this is amazing. Our Colour Run will take place on Friday the 2nd of December.

We have also planned 2 two-hour working bees for November and more information about these events are below. We have the election day BBQ and cake stall on Saturday the 26th of November and are seeking volunteers for these events.

## VOLUNTEERING AT RESERVOIR VIEWS

We welcome volunteers at our school and we need volunteers! Support and volunteering can range from assisting with fundraising events (BBQs, Discos, Colour Runs, Raffles etc) to helping in the classroom/school with parent/carer helpers program to helping with Mother's/Father's/ special person's day stalls, being a member of our school council, participating in working bees or even spending ten minutes a week raking the soft fall mulch in our playgrounds. There are endless opportunities to support us.

One thing every volunteer requires at our school is a valid Working With Children's Check, whether it is a child related or non-child related event/activity.

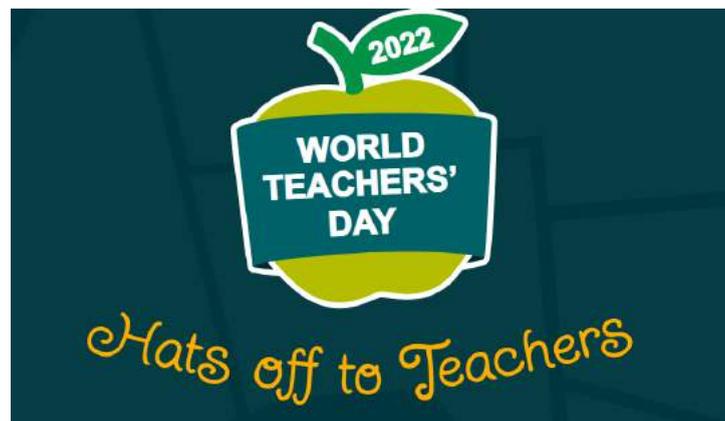

I encourage everyone in our community to apply for one. They are free and you can apply for one online:

<https://www.workingwithchildren.vic.gov.au/individuals/applicants/how-to-apply-1>

## WORLD TEACHER'S DAY - tomorrow!

Tomorrow is World Teacher's Day and I would like to thank and acknowledge the incredible teaching staff at Reservoir Views. You are amazing and have shown great resilience and commitment to our school community over challenging times, Hats Off To You!

## WORKING BEE

Please contact the office if you're able to volunteer some time to keep our school tidy.

Calling all busy bees to help tidy the school yard!

# WORKING BEE

- Tidying the school yard (weeding, raking, sweeping and moving mulch)
- No gardening experience required
- Kids welcome
- Working with children's checks are required

**THURSDAY**  
**17<sup>TH</sup> NOVEMBER**  
3.30pm to 5.30pm

**SATURDAY**  
**19<sup>TH</sup> NOVEMBER**  
10am to 12pm

## CHRISTMAS HAMPER RAFFLE

We are seeking assistance and donations for our Christmas raffle.

We would like to ask our community for some assistance. If you have a contact or work for someone that could donate something towards the raffle (big or small), we would be very grateful. We can provide you with an official school letter if needed.

If you would like to donate something, we would love that too.

We are putting together all sorts of hampers, so we are looking for toys, games, food that does not spoil, gardening items, vouchers, hair and beauty items, Christmas decorations/items, kitchenware, bakeware, stationary, art and craft items, books, sporting items.....anything!!!!!!

Tickets have been sent home and if you need more please come and see us at the office.

## KINDER TO FOUNDATION TERM 4 ORIENTATION SESSIONS

We have had two amazing orientation sessions so far. The remaining dates are below:

### Orientation Session Dates:

|           |                |                        |
|-----------|----------------|------------------------|
| Session 3 | 9:10 – 10:50am | Thursday 3rd November  |
| Session 4 | 9:10 – 10:50am | Thursday 10th November |
| Session 5 | 9:10 – 10:50am | Thursday 17th November |
| Session 6 | 9:10 – 10:50am | Thursday 24th November |

Parent/Guardian/Caregiver information sessions will run at the same time as the student orientation sessions.

## STUDENTS OF THE WEEK

**RESERVOIR STOMP - Sunday the 4th of December**

We are really excited to again be involved in this year's *Reservoir Stomp*. The festival is a family friendly affair that takes place at the Preston-Reservoir bowls club on the 4th of December. Our amazing music teacher Anna will again be working with any students who would like to perform on the day.

Students, parents and staff participating in the choir will receive a complimentary pass to the Stomp.

The Reservoir Stomp crew would also like to offer a 15% discount for anyone else from the Reservoir Views community who'd like to come along. Promo code is STOMPY22. There's an option to type this in once you add tickets to your cart via Eventbrite.

Warm regards,

Steve Stafford  
Principal.

What a busy few weeks we have had! The excitement of swimming well and truly took over this week. We have been so proud of how well everyone listened, moved quickly to the bus and got changed super fast after swimming! Well done F/1!

Fire Ed - We had our second Fire Ed visit last week - the truly exciting one where the fire engine rolls in! Everyone had a wonderful time exploring the truck and having a turn to use the hose.

Just a reminder to please label all of your child's clothes, and their bag if it is similar to others. Your child's towel, underwear, goggles and swim cap if needed should be in their swim bag ready to go. FA and FB leave at 9am so it is important to arrive early on swimming days.

# LEARNING IN THE 1/2/3 Area

## MATHS

This term we have started learning about multiplication using arrays. The 1/2/3's have also been exploring length and width using a range of different objects.

## INQUIRY

Over the past 4 weeks the 1/2/3s have been learning about sound. They have enjoyed investigating how sound works and ways sound enters our ears.

## CONGRATULATIONS!

Ms Isabel is off to get married next week. She will be away from the end of Week 4 and will return on Tuesday the 22nd of November. James will be teaching 2/3A during this time and the learning program will continue as normal.

## Making Smores

In our cohort, we have been learning about renewable energy, specifically Solar Power.

Last week students worked together to create their own solar oven to create smore's. They learnt the properties of different materials, like aluminum foil to reflect the sun's rays into the box, and black paper to absorb the Sun's heat and rays.

The experiment has shown 100% student approval and satisfaction.

## newsletter

### Yarning Conference

This week our grade five students had the opportunity to participate in the annual Yarning Conference hosted by the City of Darebin. Students learnt about Indigenous culture and history, directly from local Elders and Indigenous organisations. We particularly enjoyed our craft session with Aunty Brenda. We made key rings using emu feathers and gumnuts.

### Science

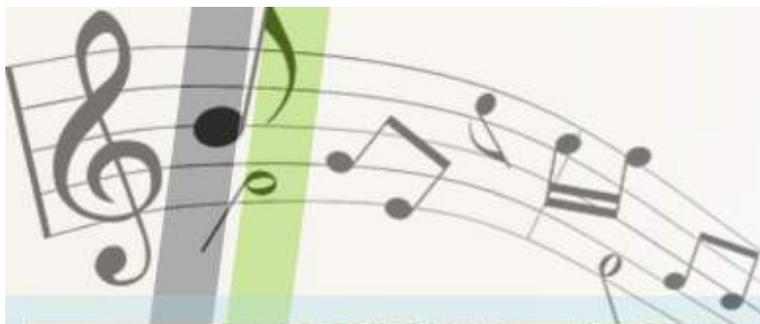

Grade 5/6 students have been learning about matter (solids, liquids and gases). Students have been busy investigating the different properties in various materials. We have learnt about solubility, flexibility, reflectivity and buoyancy. Students had fun being scientists and performing experiments.

### Sport

Our grade 5/6 students have been playing bat tennis, Kanga cricket, hard ball cricket and rounders for term four sport. Although we haven't had a chance to play other schools yet, we have been practising our skills at school.

# Mini Market

Hello parents, guardians, carers and lovely students of RVPS.

The grade 5/6s are hosting the first RVPS Mini Market! The Mini Market is like a carnival (however smaller), there will be lots of games and activities for students to participate in. Students will be encouraged to bring money so they can buy tickets and participate in games. The more money we raise the more fun the grade 6 graduation will be. There will be ten stalls ranging from face painting to Loom Bands for your child to enjoy! Make sure to bring some money on the 8th and 10th of November at lunch & recess.

Grades 1/2 and 2/3 painted their clay monsters using acrylic paint.

The 3/4 students started their recycled plastic bottle papier- mache' monster. We made glue out of water and flour.

The Grade 5/6s are still working on their Steampunk trinket boxes and the Foundation/ students painted their clay pinch pots.

# Grub Club

Spring is finally here and the sun is coming out! Not only the sun is out, but a couple (hundred) of weeds have been poking around the school.

For the past two weeks our Grub Club students have been using their keen eye to find and pull out weeds around our school.

Although it's no planting or watering, our students have been very excited to beautify our play area and community.

**Grub Club is for all students to participate during lunch or recess on Tuesday or Thursday (listen for the announcement).**

Join Chay or Ms. Sue in the garden during the Grub Club times. Garden tasks involve planting, watering, weeding and harvesting wonderful vegetables.

Dear Parents and Guardians,

Thank you so much for supporting our school, especially through fundraising. This term, we are hosting a **Colour Explosion School Fun Run** to help us fundraise for new outdoor furniture and synthetic turf for an outdoor learning area. To achieve our goal, we need to raise as much money as we can as a school community.

**When is the Colour Explosion School Fun Run?** We will be hosting our Colour Explosion School Fun Run on Friday the 2<sup>nd</sup> of December from 2pm to 3:30pm. Make sure students bring a WHITE shirt to wear during the Fun Run. They will be covered in non-toxic, biodegradable colour powder from head to toe!

**Is the powder safe?** The non-toxic colour powder is made of high-quality corn starch and permitted food colours, so it's safe for skin and eyes. Students with asthma are advised to be careful in their decision to participate.

**How does my child fundraise?** Fundraising for our outdoor learning area is easy – simply follow the instructions outlined in your child's sponsorship booklet. Your child can accept donations online by creating a cybersafe fundraising profile at [www.australianfundraising.com.au](http://www.australianfundraising.com.au). You can also collect cash donations with your sponsorship booklet. Please return your donations before the end of the day on Friday the 2<sup>nd</sup> of December.

**Raise more! Earn more!** Students automatically achieve incentive prizes as they fundraise, starting from \$10. Each prize is ordered automatically, so you don't need to worry about prize ordering! You can see what the incentive prizes are in the attached sponsorship booklet.

**Share in \$200,000 worth of extra prize credit!** Achieve bigger prizes by helping your child earn bonus credit on their online profile. By creating an avatar, sharing your page with friends and reaching milestone donations, you can share in \$200,000 of extra prize credit!

**Monstar Madness.** There are heaps of prizes you can win when you fun-raise with Monty! Create your fundraising page in the next 7 days, and you will receive a Holographic Monty Sticker! Check out your sponsorship booklet for more awesome Monty prizes up for grabs, like a Monty Plush toy, a bag tag or a high-bounce handball!

**Win a \$10,000 JB Hi-Fi Shopping Spree.** Do you think you can top our school's leader board? The highest fundraising student in our school will go into the draw to win a \$10,000 JB Hi-Fi Shopping Spree, including your choice of televisions, laptops, phones, home accessories and more! Start fundraising at [www.australianfundraising.com.au](http://www.australianfundraising.com.au) for your chance to win.

**Fund-Razor of the Year Award.** Do you think you can top the national leader board? Australia's highest fundraising student in Australia will win a Razor Prize Pack, worth \$3,000!

Thanks in advance for your support, and happy fundraising!
