*Drew El Moussalli - PE*

*Zoe L and Ellaina A*

*Candice Vanzin - Italian*

*Prep A, B and C*

*Steve Stafford - Principal*

*Lochlan G 56B*

Dear students, families and local community members,

Our two-week whole school swimming program concluded today. It was a wonderful success with over 180 students attending. I would like to thank all the staff, parent helpers and RVPS families for supporting this very important program. I'm aware that a Winter date for swimming is not ideal for many reasons, and we will be examining dates for 2020 that are not in Winter.

### **DOGS IN THE SCHOOL GROUNDS**

Just a reminder to all families and community members that dogs, regardless of their size and age, are not allowed within the school grounds or buildings. We will be erecting signs that state this on our entry gates in the very near future. I thank you in advance for your support of this.

### **A WELCOME VISIT AND A BIT OF HISTORY**

On Tuesday we had a visit from an ex Keon Park Primary School student, Peter Nicolay. Peter started at Keon Park Primary School when it first opened in 1955 and informed me he was the first ever captain for Red House when a 'House' system was introduced in 1960. He told me that Red House actually won the House Shield for that year and that his name is engraved on the Shield.

After a bit of fossicking in the storage shed, we luckily found the House Shield, and to his word, there was Peter's name engraved as a House Captain for 1960. Peter now lives in Western Australia and has very fond memories of his time growing up in Keon Park and attending the schools in the area. It was lovely being able to connect Peter with the shield and hear some of his memories.

I have placed the House Shield in our display cabinet in the office for anyone who wants to have a better look.

## PARENT / TEACHER INTERVIEWS

Parent / teacher interviews are taking place next Tuesday the 25th of June. Students are expected to attend school as usual on this day. Interview times were sent home yesterday, please call the office or see your child's classroom teacher if you are unsure of your allocated 15 minutes.

## POKEMON CLUB

Pokémon club is continuing to grow. It takes place every Monday at 2pm in the library.

## GRUB CLUB

Grub Club happens every Wednesday at lunchtime. The students have grown their own herbs from seeds and the garden and herb wall is looking fantastic. Who is this garden and herb wall for? They are for our community!! Please feel free to take what you need from there.

## ENROLMENTS FOR 2020

Enrolments are now being accepted for Prep 2020. If you have a child in your care starting next year, please pop in to the office and pick up an enrolment form. Planning for Prep 2020 is beginning soon so indicative number of enrolments will be very helpful. Please see Hayriye, Helen, Jacqui or myself if you have any more questions.

Thanks,

Steve Stafford  
**Principal**

## SPORTS UPDATE

The last few weeks in sport have been very big for Reservoir Views Primary school. To top off our whole school swimming program, there has been interschool sport and cross country. A big congratulations to Susu, Veronica, Prodromos, George, Perry, Bella and Oscar who made it through to Divisional Cross country. They all did a fantastic job on the day, with special mention to Bella Murphy from grade 5/6 who finished 7th. She made it through to Regionals where she did an amazing job and finished 58. All runners should be very proud of their efforts not only on the day, but also the months of training preceding the events.

Inter school sports is coming to a conclusion with just one game remaining. All teams have done a fantastic job. The football team is currently 2nd, Netball 3rd, Tee ball 4th and the soccer team has only lost one game and are in 4th place.

Well done everyone!

Mr Drew

Dear families,

If you wish to order from the Scholastic Book Club please order online or return to school by Friday 21st June.

Thank you
