Dear Reservoir Views students, families and local community members,

It has been a busy and exciting week at Reservoir Views with some warm Spring weather finally arriving. Last Friday the school was incredibly quiet with all of our Foundation to Year 2 students attending the Melbourne Zoo. I'd like to thank the students for their amazing engagement and behaviour throughout the day, the F-2 staff for organising the day for the students and all of the parent volunteers who went along to support staff. It has been great to see this wonderful experience reflected in teaching and learning throughout the week.

2019 NAIDOC SCHOOL'S YARNING .

On Wednesday, all of our Grade 5 students joined Grade 5 students from 16 other Darebin primary schools to participate in the City of Darebin's second annual Yarning Conference.

The Yarning was themed around this year's NAIDOC theme, '*Voice, Treaty, Truth*' and provided all students a fun and engaging day learning about our local Aboriginal and Torres Strait Islander community and history. Our students learnt about and played traditional Aboriginal games, participated in a smoking ceremony, experienced Wurundjeri Elder Aunty Joy Murphy perform a welcome to country and share her new book and heard from former politician and Indigenous athlete Nova Peris, OAM.

A big thank you to the City of Darebin for organising this free event for the community.

FUNDRAISING NAME PAVERS.

There is one more week left for families to purchase their own name paver that will be paved along the entrance path to the main office. Forms are available at the office. The closing date is the 1st of November!

LEVEL CROSSING REMOVAL—HIGH ST, RESERVOIR.

I am thoroughly enjoying watching the daily progress with the level crossing removal at High St, Reservoir and can't wait for its completion in December. I have just received this community invitation from the Reservoir Level Crossing Removal Team:

While the team removing the level crossing at High Street Reservoir are busy building a new rail bridge we are keen to invite the children and their families to a Halloween event on Thursday 31 October from 3pm to 6pm.

There will be street entertainment, shops open and team members to answer questions about the project.

Head to one of the booths (located in front of Reservoir Library, Edwardes Street and the corner of Cheddar Road and Broadway) to receive your gift bag and map of participating businesses.

Then drop in to any of the businesses on the map on Broadway, High Street, Edwardes Street or Spring Street to collect free Halloween goodies!

More information here: <https://levelcrossings.vic.gov.au/events/reservoir-halloween-event> or if you have any questions, please call 0438 469 626.

Warm regards,

Steve Stafford
Principal.

PLASTIC BOTTLE TOPS

We have been asked to assist in the collection of all plastic bottle tops which will be used to make artificial limbs. If you would like to help please bring the bottle tops to the office.

Thank you

NAME PAVER

AN OPPORTUNITY TO BE A PART OF OUR VISUAL HISTORY AT RESERVOIR VIEWS PRIMARY SCHOOL

Reservoir Views Primary School

We are fundraising to resurface our sports oval and to purchase and install a wood fired pizza oven to use for school community events.

SINGLE NAME PAVER: \$50

Your donation of \$50 entitles you to have your name engraved into a paver as a lasting record of your valued support. The paver will be permanently installed:

Along the main entry path to the school

Size: 230 x 115 x 40mm

ENGRAVING DETAILS

Please print clearly in block letters. Each box represents a character (letter, number, punctuation mark or space). Max 16 characters per line, three lines per paver. (No hand drawings.)

NAME PAVER	LINE 1	<input type="text"/>														
	LINE 2	<input type="text"/>														
	LINE 3	<input type="text"/>														

Simply fill out this form and return it to the office with payment (cash or card)

Company/Contact Name

Lots of animals live at the zoo..

The 1/2s had some amazing questions ready for Wild Lab Keeper Cath at the Melbourne Zoo on Friday:

How do the animals get to the zoo?

The animals in zoos are not from the wild. They breed the animals here in the zoo and some are brought here from other zoos around the world.

How many endangered animals are at the zoo?

We have about 15 different species.

Why do blue tongue lizards have blue tongues?

When a blue tongue lizard is feeling threatened by a predator, it opens its mouth very wide and the bright blue colour of its tongue can frighten the predator away.

Where does the food come from?

The zookeepers prepare lots of different foods for the animals, so for instance, the giant tortoise likes to eat salad, and so they have to order in food such as lettuces and carrots and tomatoes. Some animals eat meat, they are strong and powerful.

CHRISTMAS RAFFLE

Dear Parents,

Our final fundraiser for the year is the Christmas Hamper Raffle. We are in need of donations for our Christmas Hampers.

We are asking families to donate items for some of these hampers.

Suitable items to be donated could be based on the following themes:

Kitchen/Pantry theme

Pamper yourself theme (eg soaps, toiletries etc)

Christmas theme (eg decorations, Christmas table items)

Coffee, Tea and Biscuit theme

Chocolate, confectionary and lolly theme

Gardening theme

Arts and craft theme (eg drawing items, paper craft activities)

Games/Toys theme

Please send along any donations for the raffle to school with your child. We aim to create some wonderful hampers by the middle of November and tickets will be on sale shortly.

Thanks for your continued support.

Regards,

The Community sub-committee
