Thank you everyone for getting in the 'house' spirit and dressing up in the house colours. The happy faces say it all!

The parent/caregiver/guardian race was AMAZING!!!!!!!

Everyone was a winner on the day, but the Hickford Crocs took home the House trophy.

A very big thank you to Drew for organising the day!

Handwriting

We begin every morning with hand writing - practising our letter formation on dotted thirds white boards.

Reading

We continue to learn about nursery rhymes this week. We are also using our book boxes to practise sounding out and blending to read words, using decodable texts and looking through our interest books.

Maths

We have been making numbers in different ways, and looking at the part-part-whole of 5 (e.g. 3 and 2, 4 and 1, 5 and 0).

ATHLETICS DAY!

ATHLETICS DAY

What a blast we had on Athletics Day! It was fantastic to see so many families come and support the students on the day. We had so much fun participating in all the different games and sports. Students demonstrated great sportsmanship and should be commended on their wonderful efforts on the day!

INQUIRY

For the next few weeks, we are going to be learning about geography. We are mapping Australia and locating interesting places as we go. We are learning about each state or territory and the capital cities in each.

3/4B - Library		Music	Bike Education

ATHLETICS

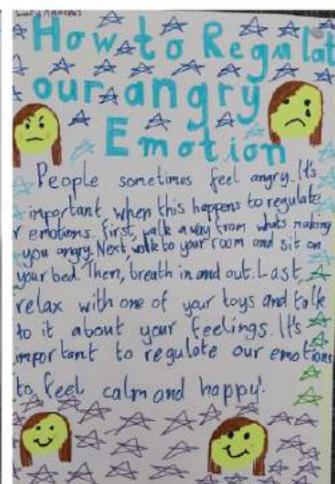

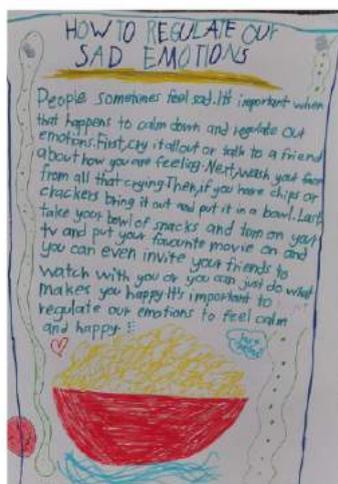

The 3/4s thoroughly enjoyed their Athletics Day and all the training in the past few weeks paid off. We ran fast, jumped high and threw far. Despite the heat, everyone tried their best at every activity - well done!

In the next few weeks, we are going to be enjoying learning some gymnastics and Bike Education on Fridays. If your child has a bike and helmet, please bring them on Fridays. We do have a small fleet of bikes available at school for those who are unable to bring a bike.

PROCEDURAL WRITING

In writing a procedure, you need to instruct someone how to do something. This means writing command sentences and in 3/4, we have learnt that many commands begin with a verb: put, mix, place, chop, stop. We have been writing different procedures about how to make a salad, how to do shot put or discus, and how to regulate sad or angry emotions.

Athletics Day

Wow! We had so much fun at our annual school athletics carnival. Although it was a hot day, we loved participating in all the events. Our 5/6 students had fun making posters with Mr Drew earlier in the week. Congratulations to Hickford Crocs for winning the House Trophy this year! Our House Captains did an amazing job helping Mr Drew.

Maths

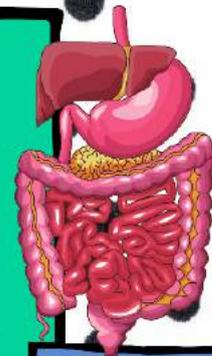

Last week we used place value to help us with our money investigation. We added and subtracted decimals while buying and selling supermarket items with play money.

Writing

We have been writing explanation texts about how to stay healthy using our knowledge of the immune system. We have learnt how to write complex sentences and use commas correctly.

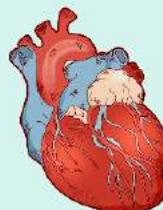

Important Dates

- 11th & 25th March, 1st April: Bike Ed
- 18th March: District Athletics
- 21st - 23rd March: Camp
- 1st April: Grade 5 Taster Day Reservoir High School

The Human Body

Students have been learning about the circulatory system. They learnt many interesting facts about the heart and created their own mindmap with all their new knowledge. We listened to our heartbeat and calculated our resting heart rate.

Grub Club

The autumn season is among us and the last of our tomatoes are still growing and ripening.

New seedlings have emerged from planting broccoli, coriander, spinach and radish seeds.

Mixed Tomato Salad Recipe

1. Grab 6 wonderfully different types of tomatoes and cut into wedges.
2. Add 1 tbsp of olive oil, 1 tbsp of balsamic vinegar and a pinch of salt.
3. Top it off with a small handful of basil leaves.

Join Chay and Ms. Sue in the garden during our Grub Club sessions on Monday and Thursday.

Garden tasks involve planting, watering, weeding and harvesting wonderful vegetables.

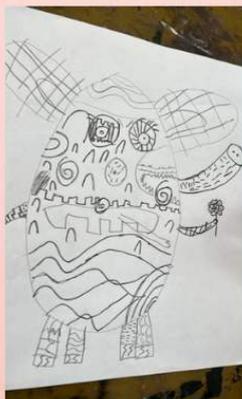

Art

The Foundation students were able to show case their understanding of line, shape and colour by drawing amazing robots.

The 3/4 students were inspired by the artist Escher. They learnt how to create different textures to their artwork by using rubbing techniques. They used paper, the floor, classroom equipment and materials.

The 1/2 students completed their make believe 'animal creatures' using different lines, shapes, patterns and colours.

Music

In music, we have been learning about the elements of music. We can show the PITCH of a song with our hands or scarves, and we can show the RHYTHM of words by clapping and counting the syllables.

We have also been exploring creative ways of making music by changing the songs we know in imaginative ways.

In Grades F-2, we have been substituting words in familiar songs and adding matching actions.

In Grade 5-6, we have been adapting existing pop songs to develop House Team songs to cheer on our teams.
