Dear students, families and local community members,

Last week Hayriye and I met with architects who presented the final designs for our sensory play area. Late last year we received confirmation that we were successful in obtaining a \$200,000 *Inclusive Schools Fund* grant to establish a sensory play area at RVPS.

We are now very excited as we are entering the next phase of project development. We are hopeful that the *Victorian School Building Authority* will have put the project out to tender by the end of term and it would be ideal if the construction takes place during the September school holiday period. I will keep everyone up to date with any project news.

## **BLUE LIGHT DISCO**

The Blue Light Disco was a tremendous success on Friday night. Over 70 students attended and it was loads of fun. A very special thanks to our parent helpers who helped supervise the students. I would also like to thank all of the Blue Light Foundation volunteers and members of Victoria Police.

## **EDUCATION WEEK**

*Education Week* is next week and the theme is careers. We will be holding a whole school open morning on Tuesday from 9 to 11am and we would love to see as many visitors as possible.

On Thursday, students are encouraged to dress up as their dream job. We will run a dress up parade at 3pm in the hall.

We are also inviting parents and carers to talk to the class about their profession. Please see your child's classroom teacher if you would like to do this at some stage throughout the week.

## **ELECTION DAY SAUSAGE SIZZLE and SLICE / CAKE STALL**

We are holding an election day fundraiser sausage sizzle and slice/cake stall this Saturday the 18th of May. If you would like to donate a cake or slice for the day, these can be brought to the office on Friday or on Saturday morning. There is also a volunteer BBQ roster at the office if you have an hour to spare to cook and sell some Democracy Sausages.

## **NEW SCHOOL WEBSITE**

We are currently in the process of investigating options for a new school website for RVPS. If website design is a skill of yours, we'd love your thoughts/expertise. Please come and see me.

## **ENROLMENTS FOR 2020**

Enrolments are now being accepted for Prep 2020. If you have a child in your care starting next year, please pop in to the office and pick up an enrolment form. Planning for Prep 2020 is beginning soon so indicative number of enrolments will be very helpful. Please see Hayriye, Helen, Jacqui or myself if you have any more questions.

Thanks,

Steve Stafford

## **CSEF**

If you hold a current Health Care Card, please do not forget to apply for the CSEF (Camp, Sports and Excursion Fund).

## **Uniform**

Please remember to clearly label student uniform items, so that it is easily identified, if it ends up in lost property.  
Thank you
