Dear Reservoir Views students, families and local community members,

As we are a day away from the end of a very long, challenging and disruptive Term 3, I would like to again thank and congratulate our entire Reservoir Views community for successfully navigating this term.

Thank you to all of our families for supporting our students to continue to learn and grow. I know it has been challenging and the continued uncertainty of when / if students will return to face-to-face learning this year does not help.

Thank you to all of our school staff who have continued to work tirelessly enabling remote and flexible learning to take place and supervising students on-site. Your ability to stay positive in trying times is remarkable.

Congratulations to all of our students for your amazing persistence, high engagement levels, adaptability and resilience shown throughout the term. I want you all back at school as soon as it is deemed safe to be here.

Unfortunately it won't be until this Sunday until we hear about any roadmap out of lockdown and possible return dates/details for students in Foundation to Year 10 in Melbourne. Hopefully students will return as soon as it's deemed safe to do so and I expect students within Foundation to Year 2 will return to school before those in Year 3 to 6 as this is what the current plan is for regional Victoria.

I will send out communication that details any plans for Term 4 after Sunday's announcement.

I really hope that everyone can have an enjoyable two week term break.

Warm regards,

Steve Stafford  
Principal.

### *A message from your Coordinator: Nebal*

Happy Spring to everyone, I know its lockdown — but the suns out, the flowers are budding, and the warmth is coming.... Love to you all.

Last week, the children celebrated Father's Day with card making and key rings. We have also been raising awareness on children's mental health and wellbeing with regular discussions about how they are feeling at school and at home.

Recently, the children participated in a thankful tree, where they wrote down what they are most thankful for. Some responses included love, understanding, kindness and respect. Children's mental health and wellbeing will continue to be a focus in the coming weeks.

Bookings for Rocketeers Mission 3 are now open. I will be coordinating again at St. Mary's Primary School during the holidays, and we have a [jam packed](#) schedule. You can view the Rocketeers program on the Camp Australia website.
