Dear Reservoir Views students, families and local community members,

It is just wonderful having all of our students now back at school learning on-site. Our school is starting to feel complete again, we are now just waiting to be able to welcome our families back on-site whenever restrictions are lifted.

It was lovely watching our Grade 3 to 6 students reconnect with each other and their teachers 'in the flesh'. Our Foundation students were also able to reconnect with their 'buddies' in Grade 5 and 6; they have been missed.

What has been most pleasing to see is the mature, settled and enthusiastic way all of our Grade 3 to 6 students have returned after two and a half months absence from learning on-site. The transition back has been close to seamless!

## OCTOPUS SCHOOL UPDATE

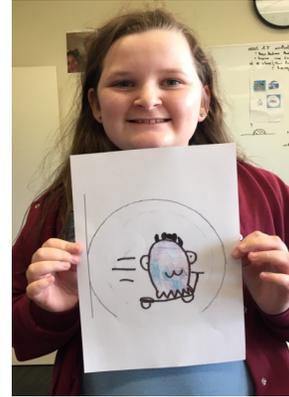

It has been a very exciting week at Reservoir Views. I am very pleased to announce our artists whose designs were chosen to be used as road decals surrounding our school.

Lucy

Ebony

Freya's design was also selected.

*Congratulations to everyone who participated in creating Octopus School designs.*

Today we received delivery of our bike fleet. We are now the proud owners of 16 brand new bikes to use when Mr. Drew starts running *Bike Education* sessions with our Grade 5 and 6 students later this year. It was very exciting watching the bikes come off the truck and I can't wait to see them in use.

## USING QKR APP TO ORDER FOR CANTEEN LUNCH ORDERS

Due to current school entry restrictions, Lesley does not have any help in the canteen. When possible, ordering lunch orders through Qkr! makes her job a lot easier as she has more time to prepare them. Creating an account that links with our school is very easy once you download the Qkr! App.

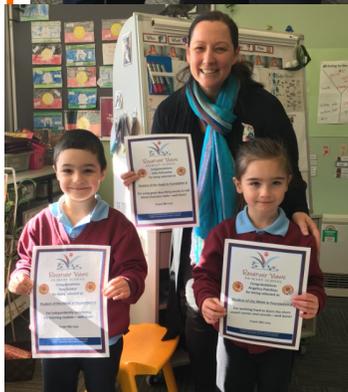

## SEMESTER 1 STUDENT REPORTS.

As mentioned in this week's Compass newsfeed, all Semester 1 student reports will be 'pushed out' to families on Compass next Friday the 19th of June. Please let your child's classroom teacher know if you would like a printed hardcopy of the report sent home. Classroom teachers will be touching base with families throughout week 11 of this term to discuss student progress and achievement.

## 2021 ENROLMENTS

If you have a child starting Foundation next year or know someone who will be enrolling with us, this is a reminder to book in for a school tour, and collect an enrolment form from the office.

## STUDENTS OF THE WEEK
