Breakfast Club— Jenny & Tegan

Mele F

Dear parents and carers,

Congratulations to Drew, our sports teacher for organising our very successful inaugural whole school athletics day which incorporated our new houses. The faces of our students said it all. They had a fantastic day engaging in experiences promoting being active. Also thank you to our teachers for getting into the spirit of our school houses and their efforts for ensuring the day ran smoothly. I was very proud of how well behaved all our students were; displaying great sportspersonship, through encouraging others and trying their best. Congratulations to the Green Hickford Crocodiles for being the winning House. Congratulations also to the other teams .

The District Athletics Carnival will held on Tuesday 5th March. This will see our Year 5 and 6 students (and some of our Year 4 students) represent our school. Parents are more than welcome to come along to support our athletes. More information will become available closer to the date.

We had a great turn out for our Parent Volunteer Information session on Monday. Parents and families play an important role in supporting their child's education. Research has shown that when schools and families work together, children do better, stay in school longer, are more engaged with their school work, go to school more regularly, behave better, and have better social skills. Parent engagement also results in longer term economic, social and emotional benefits.

It's not too late to get involved. Please contact the school if you would like to help our students learn and achieve their best.

Warmest regards

Lynne Kemp
Acting Principal

What We Have Been Doing in OSHC

We have been having a blast in OSHC! The children attending our program have already made great new friendships, learnt more than ever before and best of all, have been having heaps of fun. There's been a variety of different activities and games that children of all ages have been engaging in.

The children have been making lots of yummy **healthy** pizza, modelling clay, and slowly redecorating the room. We have also been welcomed with a lot of new prep faces who have absolutely loved our imaginative cooking set and getting to know other children.

Every day we aim to deliver a high-quality program that interests and engages your child, whilst getting to know them. That's why our program is tailored to and guided by the needs of the children attending our service. In OSHC, your child can enjoy and engage in activities ranging from indoor and outdoor play time fun, constructive and manipulative play, as well as creative time. There's also quiet time for homework, reading and relaxation.

Meet Our Team

We're here to make OSHC the best experience possible for your child and family. If you have any questions about the program, feel free to drop by, meet our team and see what happens in our program first hand.

Program Details

To find out more about our program, view our fees and to register, visit www.campastralia.com.au and search for your school.

We look forward to seeing you and your family soon!

Leah ☺
