Dear Reservoir Views students, families and local community members,

Yesterday we celebrated our Italian themed Art Festival 'La festa dell' arte' - IT WAS AN AMAZING DAY!!!! I am so incredibly proud of all of our students for their wonderful engagement in all of the activities throughout the day, their incredible artwork that was on display (such talent!), their sensational Italian performances and the way in which they worked so beautifully as multi-age activity groups.

I just can't thank our passionate Reservoir Views staff enough. I'd like to especially thank Candice Vanzin and Lisa Gardiner for the meticulous organisation and planning of the event. The running of the day would not have been possible if not for our parent helpers; from helping run activities, selling artwork, photographing the day, serving gelati, working with our Grub Club potting seedlings and collecting worm juice to sell - to just about anything and everything - thank you!

Finally I would like to thank our wonderful families for supporting this event, the afternoon events had such a warm and lovely feel with all of our families and friends helping celebrate the incredible work of all of our students.

Sales of student artwork, Grub Club seedlings, beanies, books and gold coin donations raised an incredible \$391. This money will allow us to purchase 4 large compost bins to support the implementation of whole school composting. Thank you!

BOOK FAIR

Our Reservoir Views Book Fair will start on Tuesday 6th August and finish on Monday the 12th of August. Book sales will happen before and after school from the library. Please see the flier in this newsletter.

KINDERGARTEN TO FOUNDATION ORIENTATION PROGRAM

We are very excited to start getting to know our 2020 Foundation students and families at Reservoir Views.

We have been planning our orientation program for our 2020 Foundation students and have decided to increase the duration of our 2019 program.

Starting on the 17th of October, we will run 6 consecutive weekly sessions each Thursday from 9:10 to 10:45am.

We will also be holding a Parent Information Evening on Tuesday the 17th of September at 6pm in the hall where we will discuss our orientation program in greater detail.

100 DAYS OF SCHOOL FOR OUR FOUNDATION STUDENTS

On Friday our Foundation students and teachers celebrated the students' first 100 days of school. What a massive milestone to reach. Congratulations!

FLEXIBLE LEARNING SPACES FOR THE 1/2 AREA

In the coming weeks works will begin in the current grade 1/2 classrooms to prepare the space for the installation of operable walls to create more flexibility with the learning spaces. The operable walls will allow the three classrooms to continue to have collaborative whole cohort teaching time and also to have some acoustic control between each class. I am very confident that these works will be complete at the beginning of term 4.

Please come and see me if you have any questions. The link below shows examples of operable walls.

GRUB CLUB— Delicious Cauliflower Nuggets.

Below is a recipe Chad used with our Grub Club and the beautiful cauliflowers they grew. They even used the parsley they have grown!

Cauliflower Nuggets For Kids

Ingredients

- ½ head of cauliflower (250g), chopped
- 1 egg
- ¾ cup fresh multigrain or sourdough breadcrumbs
- 1 tsp dried parsley or thyme
- ½ tsp celery salt (optional)
- 1 cup grated cheese
- Tip: if making for older children or adults, try adding a few tablespoons of crumbled feta or haloumi cheese at step 3.

Method

Step 1

Preheat the oven to 180°C. Line a baking tray with baking paper -

Step 2

Steam the cauliflower for 5 minutes on the stovetop or in a Thermomix until tender. Drain thoroughly and use paper towel to blot away the excess water -

Step 3

In a food processor or Thermomix, combine the cauliflower, eggs, breadcrumbs, parsley or thyme, celery salt and grated cheese. Process for around 10 seconds or until the mixture combines. Add more breadcrumbs if the mixture is too runny -

Step 4

Take teaspoon-sized amounts of the mixture and use your hands to form into nuggets. Place on the baking tray and continue with the remaining mixture -

Step 5

Bake for around 10 minutes, turn the nuggets and bake for a further 10 minutes or until golden brown.

-

Step 6

Storage: freeze raw or cooked nuggets in a freezer proof bag for up to two months. -

Step 7

Tip: for extra crunch brush the nuggets with some melted butter or olive oil -

This recipe was taken from <http://onehandedcooks.com.au/recipe/cauliflower-nuggets-kids/>

Warm regards,

Steve Stafford
Principal.

DOGS AT RESERVOIR VIEWS PRIMARY SCHOOL

PURPOSE

To explain to our school community the rules and procedures we have in place in relation to dogs attending our school grounds.

POLICY

Assistance dogs

Reservoir Views Primary School understands its obligations under the *Disability Discrimination Act 1992* (Cth) and the *Equal Opportunity Act 2010* (Vic) and will make reasonable adjustments for members of our school community with a disability who require an 'assistance animal' to help alleviate the effects of their disability. Assistance animals are permitted to attend our school with their handler. Our school principal can lawfully ask a person to produce evidence that an animal:

- is trained specifically to assist a person alleviate the effects of a disability (eg seeing eye dogs)
- meets standards of hygiene and behaviour appropriate for a school environment.

We understand that in some circumstances, students may require an assistance animal to attend school to help them to participate in their educational program. Reservoir Views Primary School will consider a request by a student with a disability to allow an assistance animal to attend school with them on a case-by-case basis. If you would like to discuss this further, please contact Steve Stafford, Principal.

Pet dogs

Reservoir Views Primary School is not a public place, and our principal has the authority to permit or decline entry to school grounds and impose conditions of entry.

Whilst Reservoir Views Primary School understands that many families in our school community keep dogs as pets, to ensure that our school remains a safe and inclusive place for everyone, pet dogs are not permitted on school grounds under any circumstances.

Stray dogs

Unaccompanied or stray dogs sighted at our school should be reported immediately to the office. School staff will contact municipal authorities and/or Victoria police for assistance in managing and removing a stray dog from school grounds, and ensure staff and students remain safe at school.

REVIEW PERIOD

This policy was updated on the 1st August 2019 and is scheduled for review in August 2022.
