Dear Reservoir Views students, families and local community members,

We have had a few very big weeks in Keon district sports, here is how we went;

On Friday 21st August, the 3/4 basketball team went to Reservoir High School. Our team did great, we are very proud of everyone.

Dottie, Layla K and Paris

Last Friday, the 3/4 basketball team went to Reservoir High. The other schools were hard to beat. Our team did great, we came 5th. We are very proud because we improved from last year. Congratulations to all the students that played.

Layla G, Sienna and Ebony

The Tball team did a really good job this year. We stayed positive and tried our best. We worked together as a team to get all the way to district. Some of us even made new friends. We won a game, lost a game and even drew in one game, we had lots of fun.

Jacob, Jett, Ava, Elli, Sienna, Sofia, Ana, Salma, Phoenix, Allairha, Diesel

The basketball team competed at reservoir high last friday. We played really well as a team but sadly didn't make it on the podium. The girls came 6th and the boys came 5th. Overall everyone had a great time and we can't wait until next year.

Jacob, Kobe, Poppy and Sade

WORKING BEE

We will be having our annual working bee this term. We would love as many helpers as we can to help tidy up our Sensory Garden, it is in much need of some weeding and edging. We are also having lots of fresh sand delivered for our sandpit (bring a wheelbarrow if you can).

Monday 7th August 3.30pm - 5pm

Saturday 12th August 10am - 12pm

Please bring along your gardening gloves and gear, no machinery. 😊

All adults will need a Working With Children's check, please see the office if we don't have a copy of it.

Foundation News

Our week!

We have been so busy learning this term and the teachers are seeing the kids make wonderful progress! We are so close to 100 days, we can't wait to celebrate next week!

Literacy

Last week we read a beautiful book called 'Guess the Baby' and all the students brought in their gorgeous baby photos! We played 'guess the baby' as a class! We could see how much we have changed and grown.

Numeracy

In Numeracy, Foundation students have been subtracting numbers from 10 using ten pin bowling and using their fingers!

Zoo Victoria incursion

We had a special incursion run by Zoos Victoria where we learnt lots of facts and information about the platypus, bandicoot and the helmeted honeyeater. We loved learning about these Australian animals and their characteristics.

Inquiry

Foundation students have been looking at how plants grow and what they need to survive. We experimented with what happens when plants don't get the things they need to survive like water and sun.

1/2 Area

Marvellous Minibeasts!

On Friday the 21st of July, the 1/2 students participated in the Marvellous Minibeasts Incursion in our school hall. The students engaged in a range of fun and hands on learning activities including; holding and feeding butterflies, searching for aquatic minibeasts and using a microscope to observe the features of minibeasts. Students developed their knowledge in adaptations, metamorphosis, life cycles and food chains. Students loved getting up close to lots of creepy crawlies!

2/3/4 AREA NEWSLETTER

MATHS

Our grade 2/3/4 students have been learning how to skip count using their fingers which has helped them learn their multiplication facts. At the moment we are also learning about division and how it relates to multiplication.

HOME READING & HOMEWORK

Just a reminder that all students are expected to read at home each night and to use their diary to record their reading efforts. Homework is given out every Monday and is due back on Friday's.

BASKETBALL TOURNAMENT

On Friday 21st of July a group of grade three and grade four students went to Reservoir High to participate in a basketball tournament. Students had a great time playing games with local primary schools from our area.

BASKETBALL TOURNAMENT

Last Friday some of the 5/6's went and played basketball at Reservoir High School. We played against many other schools in our district.

Both teams competed in back-to-back games against the other schools. The boys team won once and lost four. Even though the girls did not win against any schools, we still tried our best and had a lot of fun. We all had a great time and would love the opportunity to represent our school in the future.

GRUB CLUB

This term we were running a lunchtime club called Grub Club. In the last couple of weeks we have been cutting lavender, digging and we even planted some peas to put in the classes. Last week we did painting and put our handprints on a sign and hung it up for everybody to see. In conclusion we all had a great time getting our hands dirty, digging and finding worms.

Written by the Sustainability Squad - Poppy, Joost, Lorraine and Angela.

LIBRARY TIME

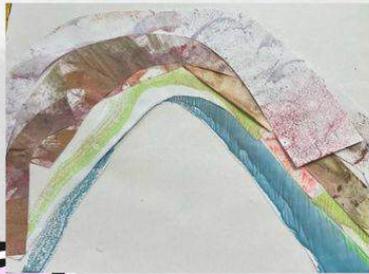

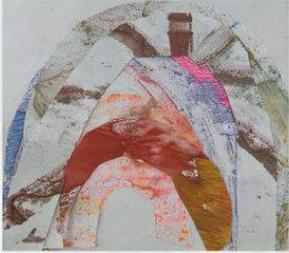

The 5/6's have started to do a new activity during library time. Each week a new student will have the opportunity to read to their classmates. They will choose to read a picture story book practising their fluency, expression and volume when reading. This will help with our confidence and allow us a chance to hear others in our class reading a book of their choice. Library Leaders - Phoenix, Vincent and Santos

ART

2/3/4 ARTWORK

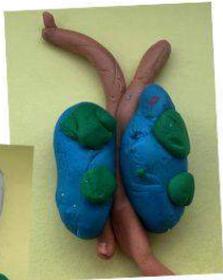

1/2 ARTWORK

We printed our paper and created rainbow art, inspired by the artist Laura Blythman.

5/6 ARTWORK

Music

This week, the **3-6 Choir** presented a stunning performance of The Tree Song, in celebration of National Tree Day.

Upcoming musical performances:

Week 7, Tuesday 22 August:
3-6 Band and 3-6 Choir

Week 8, Monday 28 August:
F-2 Choir

Check out these musicians at work!

Auslan

In Auslan, we have been learning how to ask questions

What?

Who?

Where?

How old?

How much?

How many?

The students have really enjoyed playing games to practice asking questions.

It has been fantastic to see students use all the Auslan they have learnt from term 1 and 2 and begin to ask simple questions. These signs are so important to learn for communicating with others in Auslan.

MEMORIELLEM – TERMIN 3, 2023

3rd August 2023

3... AUGUST 2023

A Glimpse of Week 3 & 4
Term-3, 2023

Last two weeks children have been super busy and excited to participating in wide variety of arts and crafts focusing on our weekly themes "Aussie Winter" and "Aboriginal Inspired Arts". Along with arts and crafts, children immensely loved engaging in our newly added resources e.g., costumes, chess, hot wheels etc. by involving in winter arts and crafts, children can gradually relate to the passage of time and change in their surroundings, be able to accept and welcome new seasons and weather, observe the beauty and importance of every season in a year. The Aboriginal Inspired Artworks created an opportunity for them to be respectful and aware of multicultural as well as be able to acknowledge the contribution of Aboriginal people. Not only do they provide an opportunity for creativity, but they also help develop fine motor skills and hand-eye coordination.

What's Next?

- Cultural Diversity
- Science Week

IMPORTANT

Bookings are essential prior to attendance. We cannot guarantee a place for your children without bookings as we must maintain child to educator ratio at all times.
