Dear Reservoir Views students, families and local community members,

Yesterday we held our *Fun Run* and it was such a wonderful morning. Our students raised an incredible \$3,000 that will go towards improving our school oval, congratulations! It was so lovely to see so many parents, family members and friends attend the event and support the students and the school. Thank you to all of the parent helpers who helped prepare fruit snacks and cook the BBQ. A big thank you to Drew, Candice and our junior School Councillors for organising the event. Again, I'd like to congratulate our students for their incredible fundraising efforts.

I'd also like to acknowledge the following organisations and companies for their support/donations; Melbourne Victory Football Club, Melbourne City Football Club, Cricket Victoria, Broadway Halal Meats, Latrobe Golf Park, Coles and Woolworths.

Library Books.

In order to undertake a stocktake of our literacy resources and prepare for 2020; borrowing of books from our school library and our home reading program has concluded for the year. If all students could return any borrowed books or home reading books ASAP, they would really help.

Sensory Play Space Update.

An excavator has been on site for most of the week and the space is really taking shape. Hayriye and I met with the contractors and architect on Thursday and everything is on track for a mid January handover.

2020 Classes

With only three weeks of the 2019 school year to go we are well and truly preparing for 2020. We are currently organising our 2020 grades. Throughout this process we aim: to provide each student to be part of a class that will allow the best opportunity to learn, to form well-balanced classes that take into account the social, emotional, academic and physical characteristics of each student and to ensure that optimum use is made of the prior knowledge that teachers, parents and relevant others have of each student prior to class placement.

Parents may submit written requests with respect to class placements. The submissions must be based only on educational reasons and in writing to me by the morning of Wednesday the 4th of December. All written parent submissions will be given consideration but will not automatically be accommodated. The allocation of students to various classes, class structures, teaching responsibilities and class compositions are all ultimately responsibilities of the Principal.

Raffle

We are still selling raffle tickets for our wonderful Christmas hampers. Please come to the office if you need more tickets. We have now sold all of our wine raffle tickets.

Grub Club

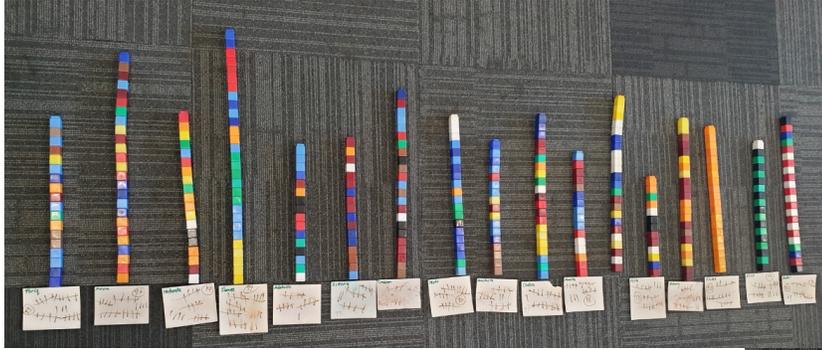

Even with the vegie plots out of action with the play space development, our Grub Club are still at it. This week they made a scare crow with Chad. They decided to name it Bob.

Engaging and real-life learning opportunities.

Prep A students were very proud of the amount of laps they ran during the fun run and wanted to work out how many laps their entire class ran. Pretty impressive work!

Warm regards,

Steve Stafford
Principal.

PLASTIC BOTTLE TOPS

We have been asked to assist in the collection of all plastic bottle tops which will be used to make artificial limbs. If you would like to help please bring the bottle tops to the office.

Thank you

Christmas Raffle

Prizes on display in the front foyer area

Don't forget to return your Christmas raffle tickets by Friday 13th December. If you would like more tickets collect from the office.

The raffle will be drawn on the 18th December.

Wine Raffle

All tickets have been SOLD !!!!
